# Glares of The Order

The Glares of The Order are certain days dedicated to praising God for gifts which He has given to the Order and thereby to all mankind.

## **The Foundation of the Order:**

On March 25, 1962, God permitted the appointment of the Directory Seven so that the Order could begin its activity leading to the revival of the human spirit on earth.

This Glare is called:

## **The Glare of Revival**

Always celebrated on March 25 as a joyful Glare.

This day is not only a celebration of the rise of the Order as a new spiritual community, but it empowers an understanding of the purpose of our life here on earth through a spiritual revival of the human heart which leads to a new way – the way to God. It contributes to the revival of favourable spiritual powers on our earth and to the increase of the spiritual community whose inception we remember on that day.

-----

### **The Sacrifice to God:**

On March 30, 1962 God demonstrated His greatest mercy to the Order by allowing the high priest to bring Him the first sacrifice for all people of good will on earth.

This Glare is called:

### **The Glare of the Holy Triunity**

Always celebrated as the most glorious Glare on the first Monday after the first springtime full moon.

The celebration of this Glare takes place in the spirit of the first sacrifice of the Order. It is the supreme manifestation of God's love to us, because in the Glare of the Holy Triunity, the mercy of our Creator becomes evident in the highest degree. The celebration of the Glare is significant by the invocation of the name of the Triune God. This brings significant powers of good to the entire Order and to those present.

-----

### **The Pillars of the Order:**

In 1965, under the patronage of the Holy Spirit, documents were finished which underlie all activities of the Order and provide a fundamental guide to the right way of life for humankind.

This Glare is called:

### **The Glare of the Holy Spirit**

Always celebrated as a joyful Glare on the seventh Sunday after the Glare of the Holy Triunity.

The prevailing theme of this Spirituality is that the power of the Holy Spirit will lighten the hearts of all people, enabling them to understand the wisdom of the Pillars of the Order, so that they will always be guided by the right way which leads to the souls salvation.

The Teaching of the Truth, The Commandments of The Order, The Spiritualities of the Order, The Statute of the Order, The Glares of the Order, The Three Lessons, The Only Temple of the Most High – these seven documents are the Pillars of the Order, made up according to the instructions and help of supernatural beings.

-----

### **The Commandments of the Order:**

On September 12, 1964, 14 Commandments of the Order were festively proclaimed by the will of God. The observance of these Commandments fulfils the slogan of the Order: "Soul and body for Creator!"

This Glare is called:

### **The Glare of the Order Life**

Always celebrated on September 12 as a memorable Glare.

The Glare of the Order Life is most suitably celebrated by reflecting upon how we can use spiritual knowledge and resolve in our everyday lives. Because they clearly and concisely set forth the doctrine of the Order, the Commandments of the Order show us explicitly the way to better understanding of that doctrine. By keeping these Commandments, it is possible to reach a spiritual level leading to the fulfilment of membership in the Order of Guardians of God's Will on Earth.

-----

### **The Order's Home:**

On October 10, 1965 the Directory Seven approved a proposal for common habitation of the highest priests and their families. By setting the location, God permitted the strengthening of the harmony and spiritual upsurge of the Order.

This Glare is called:

### **The Glare of the Order Harmony**

Always celebrated on October 10 as a joyful Glare. On this day we celebrate the inception of the common habitation of the highest priests of the Order, where the only will is the Will of the Triune God, expressed in the slogan of the Order "Soul and body for the Creator!"

The consolidation of the Order Harmony among all the families of the highest priests strengthens favourable powers for all members of the Order. Additionally, the support of all members for the activities of the priests contributes a desirable, full, harmonious, and spiritual upsurge for the entire Order.

-----

### **The Remembrance of the Dead:**

On that day God gives particular favour to prayers and flames dedicated to the souls of those who have died.

This Glare is called:

### **The Glare of Remembrance**

Always celebrated on November 2 as a memorable Glare. The dignified remembrance of our dead reminds us that we are only temporarily here on earth and that this life is only a false phenomenon which precedes the reality of eternal life. The Glare of Remembrance is the day we honour the souls of those who have died and who in turn are hopeful for our thoughts and deeds performed in their names; whether seeking for joy and strength or for help and consolation. Lighting a flame for someone who has died strengthens and reinforces our memory of them.

-----

### **The Family Harmony:**

On December 25 the Order honours the birth of Jesus Christ who together with his family gives us the most brilliant example of harmonious family life found in mankind.

This Glare is called:

### **The Glare of Family Harmony**

The Glare of Family Harmony is always celebrated on December 25 as a joyful Glare. The Glare elevates harmonious family life as a foundation for harmony among all people. Without harmony, without charity to all and especially to those closest to us, we cannot fulfil our life's mission. The life of Jesus Christ shows us better than anything how this can be obtained.

-----

**The Mercy of God:**

This Glare points us to an understanding of human worthlessness in comparison with God and awakens us to endeavour to live in a manner pleasing to God. Without God's mercy our souls cannot be saved.

This Glare is called:

**The Glare of Mercy**

Always celebrated on January 12 as a memorable Glare. This is a time for greater appreciation of our worthlessness next to our Creator and to understand that we cannot achieve our destiny without true humanity and self-knowledge. An understanding of God's greatness, mercy, and power should awaken us to seek a life that pleases God and to gain His mercy which is indispensable for the accomplishment of our mission.

-----

**The Day of Saturday:**

Celebrated especially by families on every Saturday through contemplation on the perfection of the Creator's work. We pray and thank God for His daily mercy to us.

This Glare is called:

**The Glare of the Day of Saturday**

Always celebrated every Saturday as a memorable Glare. This Glare brings special spiritual powers to every member. These powers can be used to overcome the less difficult obstacles in our lives. Favourable thoughts and deeds coupled with a sincere intent to do good will awaken considerably greater effect than for other days. It is desirable to use this day to increase ones own spiritual and physical support, with the understanding that this must carry over through the coming week until the following Day of Saturday.

## The Order's year

The Order of Guardians of God's will on Earth has set up the Order's year which begins and ends with the Glare of Revival, thus by the day of the Order's establishment

The Glares of the Order are spread throughout the Order's year as spiritual beacons, showing the members of the Order direction of their earthly course and reminding them of their aim – fulfillment of life's mission.

To make this aim easier, the Order's year is divided into seven phases surrounded by the glares.

Each of these phases has its name and designated character with attached prayer, which by its contents conveys nature of the phase.

At the beginning of each prayer, request for protection of the Order of Guardians of God's will on Earth is repeated.

*„Dear God my Father“, You are perfection and justice Yourself. You are almighty and there is nothing in the whole universe that could even partially be Your equal.*

*There is nothing so powerful that would not become small and worthless in front of Your face.*

*We love You with our whole being and with humility in our hearts we submit our wishes with request that they will be granted.*

*Be gracious to the Order of Guardians of the God's will on Earth. Exercise Your will against influences of evil to preserve purity of the Order's spirit.*

*Endow it with Your support in the fight against evil on the Order's way, so that it can reach predestined aims“.*

<b>1st phase:</b>	from the Glare of Revival until the Glare of the Holy Triunity
<b>Character of the phase:</b>	most joyful
<b>Name of the phase:</b>	time of joy
<b>Prayer:</b>	<p>The time of joy we now live in is filled with strengthened possibilities for the establishment of stronger bond with You, for elevation of our spirit because of our full comprehension of Your will.</p> <p>It can therefore help us to obtain extremely strong and effective means for our spiritual rise and further development of our Order.</p> <p>We implore You, fill our hearts with fire of enthusiasm and love for You, Your Order, for fulfillment of Your will, so that this enthusiasm would guide us in our thoughts and actions throughout the whole Order's year.</p>

<b>2nd phase:</b>	from the Glare of the Triunity until the Glare of the Holy Spirit
<b>Character of the phase:</b>	joyful
<b>Name of the phase:</b>	time of knowledge
<b>Prayer:</b>	<p>We go through the time of knowledge which is filled with gracious acts of Your Spirit“.</p> <p>However, on our own we cannot fully benefit from this gift.</p> <p>Only Your support and enlightenment can help us to achieve it.</p> <p>We implore You, enlighten our spirit with Your spirit for understanding of beauty, strength and necessity of the Order’s way for us and for the whole mankind, so that the activity and force of our Order’s performance in protection of Your will on Earth would be assured.</p>
<b>3rd phase:</b>	from the Glare of the Holy Spirit until the Glare of the Order’s life
<b>Character of the phase:</b>	joyful
<b>Name of the phase:</b>	time of learning
<b>Prayer:</b>	<p>May the power of Your Spirit be helpful to the favorable spending of the time of learning.</p> <p>May the power of Your Spirit help us to spent time of learning in an enjoyable way, so that we can use it correctly for our spiritual growth and maturation.</p> <p>We know that enlightenment by Your Spirit is inevitable, if Your gifts – the pillars of the Order will be accepted and understood by our spirit and their meaning and subject transferred into our lives.</p> <p>Give us Your support, so that by using Your gifts, we can become really active and initiative fighters against evil, who contribute not only to the enforcement of the whole, but who are fully aware, that the rule in this fight is life according to Your will.</p> <p>We implore You, give us persistence and tenacity in gaining spiritual powers, so that we could give them up any time to secure our life’s mission – protection of Your will here on the Earth.</p>

<b>4th phase:</b>	from the Glare of the Order's life until the Glare of the Order's harmony
<b>Character of the phase:</b>	memorable
<b>Name of the phase:</b>	time of maturation
<b>Prayer:</b>	<p>The time of maturation favorably influences preparation of the body and spirit to the Glare, which is dedicated to mutual harmony and understanding of all members of the Order.</p> <p>If we want to take advantage of this power and contribute to discovery of the right relation to the other, we must first live our life according to the laws of the Order, which is also a basic stone for achievement of success in all acts and to understand, that we do not participate in the Order's harmony alone, but with the whole family, therefore it is necessary to create atmosphere leading to the future Glare.</p> <p>We implore You, our Creator and Maker, give us support and make it possible for us to understand Your gifts, which You are offering and allow us to raise our begging voice to You for Your continual reinforcement and enlightenment.</p> <p>May Your condescending attitude to everything and to each of us always regulate our acts in the fulfillment of our mission.</p>
<b>5th phase:</b>	from the Glare of the Order's harmony until the Glare of Family's harmony
<b>Character of the phase:</b>	joyful
<b>Name of the phase:</b>	time of creativity
<b>Prayer:</b>	<p>The time of creativity is blessed and it is directed towards family's relations, it means that it prompts us to think what family in the Order means and invites us to deeper regulation of correct relations in it.</p> <p>We want to use these gracious powers for us to a full extent, for our families and for the whole Order and to bring calm and peace not only to our heart, but to all our minders, so that all of us could experience the real pleasure during the whole time of creativity and Glare, which is dedicated to the birth of our Savior.</p> <p>We implore You, our Creator and Maker, give us pure heart, so that we could with all the strong, beautiful and impressive qualities that You have given us fully breath in strength of this period while searching for Your truths and by finding Your wisdom our blessed time was really blessed and the time of creativity was really creative.</p>

<b>6th phase:</b>	from the Glare of Family's Harmony until the Glare of Mercy
<b>Character of the phase:</b>	memorable
<b>Name of the phase:</b>	time of self-recognition.
<b>Prayer:</b>	<p>We want to use the time of self-recognition in correct spirit and therefore we worship You God for Your unperceivably enormous and undeserving love, which You repeatedly give us despite our many imperfections.</p> <p>Help us heavenly Father to recognize dangerous wants for our soul during our life and help us to find appropriate manner to dispose of them. Give us power for effective repentance, so that we can suppress delusion in our heart, that closes way to You, to discovery of true love for You and to the mission you entrusted to us. We implore You, fill our heart with longing to talk with You and with Your servants, so that we can draw power from them to show our love, which endures and believes everything, waits to see and expects all patiently.</p>
<b>7th phase:</b>	from the Radiance of Mercy until the Radiance of Revival
<b>Character of the phase:</b>	memorable
<b>Name of the phase:</b>	preparatory time
<b>Prayer:</b>	<p>The preparatory time is the culmination of our Order's year, but also beginning of the new annual run of our order's life. It is therefore the most suitable and gracious period to bring favorable changes to our life for preparation of our heart to its spiritual revival. Empower us God, so that we can develop in ourselves necessary forces to overcome our mistakes and insufficiencies, which we display, because we succumb too much to the influences of this world, material possessions and human flesh. Let in us develop self-recognition, so that modesty and decency should prevail in all our thoughts, Your spirit should rule in our minds for self-denial of ourselves and for genuine spiritual dealing with fellow men. Provide us with power to negotiate tricky traps of evil and open our hearts and acts fully to the needs of all brothers and sisters in this world. Everything is in Your power, but without our endeavor, Your glory will not leave our body. Give us sincere, resolute and persistent will, so that we can live in humility and kindness, only according to Your will and walk on the Order's way.</p>

In these individual phases, the Order aims its activity towards the basic idea of the nearest glare.

The glare of the Day of Saturday, that penetrates the whole Order's year in seven day intervals, follows up this division of the year with directing periodic lectures during current Glare always with the idea of the basic radiance of the forthcoming period.

From the above mentioned ensues, that the Glares of the Order represent spiritual power which encircles and fills up the whole Order's year, which only with help of it gets its content and sense.
